

God Made the Angels

GOD made all things from nothing by His almighty power. He made the angels. Angels are spirits — they have no bodies. They have a mind and a will, for they can know and love God. God gave them great wisdom, power, and holiness. They are His messengers and servants.

The Good Angels Defeat The Bad Angels

BEFORE letting the angels join Him in heaven, God wanted to see if they would obey Him. Lucifer, whose name means “the carrier of light,” was proud of his power. He turned against God and said: “I will not serve!”

But Michael — whose name means “Who is like God?” — arose to fight for God. The good angels joined him and they cast into hell Lucifer and the bad angels who followed him. The bad angels are now called devils.

Feast days

September 29th. is the Feast of the Archangels – Michael, Gabriel, and Raphael. These are the three archangels mentioned in the Bible, and the only ones we know by name. There are many devotions to the angels, especially these three. The angels are very powerful friends to have in Heaven. Your guardian angel is also a very special and powerful angel, and you should talk to him often! The Feast of the Guardian Angels is a few days after the Feast of the Archangels. It is on **October 2.**

You Have A Guardian Angel

GOD has given you an angel to be your faithful friend and to help you while you are on earth. This angel is God's messenger to tell you what God wants you to do. They will keep your soul from sin and will protect your body from harm. They are called your Guardian Angels because they guard you from evil.

Your Guardian Angel loves you because God loves you. They love you because your soul is so precious that Jesus shed His Blood on the cross to save it.

Ask your Guardian Angel to help you to save your soul so that you may see God in heaven forever.

Pray to him in these words:

Angel of God, my
guardian dear,
to whom God's love
commits me here,
ever this day
be at my side,
to light and guard,
to rule and guide.
Amen.

Love Your Guardian Angel

HONOR and love your Guardian Angel as your friend, for God has given them to you. Thank them and obey them when they tell you to do what is right and to stay away from what is evil.

Pray to your Guardian Angel each morning and night, and when you need their help.
