MY FAMILY

Your family is an important part of your faith journey, too! In fact, the family is called the “domestic Church” because it’s the first place you learn about our Catholic faith and how to live as Jesus asks. You learn how to say and show you are sorry. You experience forgiveness. You forgive others.

Draw a picture of your family here, or paste in a photograph.
Remember to include yourself in your picture!

Write about why being part of your family is special.

When do you feel close to your family?
List special times that you share.

Write about one responsibility that
you have in your family.

What is one family rule that you have? Explain how this
rule helps you to know how to treat one another.

Disciples Sharing Name one way your family shows love to each other. Talk about ways your family shows forgiveness to one another.
