

**Directions:**

Cut out the picture of Jesus, keeping the white space below the picture. Cut out each of the symbols for the sacraments.

Write the name of the sacrament very neatly on the back of each symbol.

Fold the white space on the bottom of the picture up on the back to make it stronger.

Make 7 small holes in the bottom of the picture of Jesus, through the double layer. You can use a toothpick or a darning needle.

Make a small hole in a top corner of each sacrament symbol.

Carefully tie a piece of thread through the holes in the bottom of the picture. Knot it 3 times.

Tie the other end through one of the sacrament symbols. Make them different lengths.
