

# Lesson 9: We Love God

## Ten Commandments Booklet

### *Seventh Commandment:*

7. You will not steal.

*What this commandment means:*

This commandment tells me that I should never take what does not belong to me.

If I borrow something I should take good care of it and return it when I am done using it.

*Some questions I should ask myself.*

Do I take money or other things that are not mine?

If I find money or some other thing in my classroom or at home do I try to find out to whom it belongs?

When I want to borrow something, do I ask the person to whom it belongs if I may borrow it?

Do I take good care of the things that I borrow, and do I return them when I am done using them?
